

ATTACHMENT E

12 March 1957

SUBJECT: Notes taken at 4 March 1957 Meeting with Drs. L
L I and C on Psychological-Psychiatric Testing
Results on Sergei ZAREVICH (a).

Chauvanistic as far as Georgia is concerned. Is dedicated, intelligent and can be flexible. Knows what is expected of him and will produce. Stretches authority but when the line is drawn he will accept it. He definitely is a natural leader. He is bright and logical--extremely logical. Very resourceful, even in dealings with the medics. Won't tolerate incompetence.
